

# RHINO T105g 5G

A versatile 11" Android tablet built for enterprise.

- Global 5G connectivity with nano-SIM and eSIM support.
- 11" FHD display.
- 64GB onboard storage.
- Secure access with fingerprint reader and face unlock.
- POGO pins for easy docking, fast charging.

The RHINO T105g 5G is a next-generation 11" Android tablet built for the modern enterprise. Featuring global 5G connectivity, nano-SIM + eSIM, and a powerful Snapdragon® 4 Gen 2 processor, it delivers faster performance and seamless connectivity in the field. Android Enterprise support and Google Play Protect ensure secure, easy device management. Backed by a minimum 3-year guaranteed product availability, the T105g 5G is designed to scale with your business. Learn more at [rhinomobility.com](http://rhinomobility.com).

## RHINO: Built for Enterprise

- Designed and built exclusively for enterprise.
- Play Protect certified so you get access to Google apps and APIs.
- Security updates every 90 days and at least one major OS upgrade.
- Guaranteed product availability for minimum 3 years.
- Works with any Enterprise Mobility Management (EMM) platform, including Mambo®.
- Free custom device branding and packaging (MOQ).

## Android Enterprise Managed & Secure

- Leverage the power of Android Enterprise to manage and secure your entire device fleet.
- Zero-touch enrollment so all your devices are configured and ready out-of-the-box.
- Multi-layered hardware and software security layers to continuously protect devices 24/7.
- Defend against malware and Potentially Harmful Apps (PHAs) with Google Play Protect.
- Work profile helps separate and secure your company's data.
- Push and configure enterprise apps via Managed Google Play.

NEXA (formerly Social Mobile) is an enterprise mobility solutions provider who designs, engineers, and manages custom mobility solutions for clients in all industries from healthcare to retail to defense. We are a validated Android Enterprise Gold partner, Android validated device manufacturer, Play Protect certified partner, Android Enterprise Recommended EMM, and Zero-touch enrollment partner.
